The conference will feature contributions from various stakeholders in policies, prevention, protection and overall victims' support. The event will be held **in English** and is open to professionals working in anti-trafficking, labour rights, social protection, and migration, as well as policymakers, researchers, anyone interested in advancing collaborative approaches to end labour trafficking.

Through engaging presentations, insightful discussions, and interactive roundtables, participants will explore:

1
The current realities and emerging trends
in labour trafficking across Europe.

2
Effective prevention mechanisms
and victim protection measures.

3
The role of intersectoral and cross-border
cooperation in combating labour exploitation.

4
Policy
recommendations

After the completion of the event, certificates of attendance will be issued.

For more information or assistance please contact us at:
communication@kmop.org.

The conference is organized in the framework of the **Eradicating II** project.
