To mark the **International Day Against Trafficking in Persons (30 July)**, we invite you to a webinar highlighting the **ongoing fight against human trafficking and labour exploitation in Europe**.

This event is organised under the **ERADICATING II Project**, an initiative co-funded by the European Commission's Internal Security Fund (ISF), and aims to raise awareness, share best practices, and foster cross-sector collaboration on these urgent issues.

This webinar brings together key actors to discuss **practical strategies, policy responses, and current challenges** in combating trafficking in human beings and labor exploitation.

Date:
30 July 2025
Time:
10:00- 11:30 CET
Location:
Online (via ZOOM)

What to expect:
